

Product End-of-Life Notice: Last Time Buy Period Extended for 5VDC 20-Output Power Supply

Please refer to the "Lifecycle Description" document, GBEI-2012-006.

Notification Date: February 28, 2015

Dear Customer,

This is a notice that the last time buy (LTB) for the **5VDC 20-Output Power Supply** products is extended by three months. This affects the following part numbers: **V-2.20-U.5** and **V-2.20-U.5-C12**.

As of **June 1st 2015**, the **V-2.20-U.5** and **V-2.20-U.5-C12** products will no longer be available and orders will no longer be accepted for these products.

We are currently investigating possible replacements for this product.

Regarding support, Hardware support will continue to be available until at least:

- **February 28, 2017** for **V-2.20-U.5** and **V-2.20-U.5-C12** products purchased during the LTB period between **August 11, 2014** and **June 1st 2015**, or
- **Up to 5 years** from the date of purchase for those products purchased prior to the respective LTB periods.

Product training availability will also continue to be provided until **February 28, 2017**.

Please consult your local VSS Monitoring Inc. representative with any questions or needs for support.

Thank you for your cooperation in this product transition. We regret any inconvenience that discontinuing this platform may cause your organization.

Our sales and support staff are available to assist you in any way possible.

Joseph Collins
Product Manager, TAP Series
