

Product End-of-Life Notice: vInspector SSL

Please refer to the "Lifecycle Description" document, GBEI-2012-006.

Notification Date: May 31st 2014

Dear Customer,

This is a last time buy (LTB) notice for VSS **Inspector SSL 100, 200, & 300** appliances. This affects the following part numbers: **VP_01493, VP_01495, VP_01480, VP_01483, VP_01485, VP_01487, VP_01489, and VP_01491**. A limited supply of these products is currently available, and so these will be provided on a "first come, first served" basis.

As of **August 31st 2014**, the **VP_01493, VP_01495, VP_01480, VP_01483, VP_01485, VP_01487, VP_01489, and VP_01491** products will no longer be available and orders will no longer be accepted for this product family.

These products are not being replaced by any other product, but instead the continued availability of these products will be provided by referral to Blue Coat for their SSL Inspector product set.

Regarding support, Hardware and Software support will both continue to be offered and available until at least August 31st 2016 for products purchased up to the End of Sale date.

Product training availability will also continue to be provided until **August 31st, 2015**.

Please consult your local VSS Monitoring Inc. representative with any questions or needs for support.

Thank you for your cooperation in this product transition. We regret any inconvenience that discontinuing this platform may cause your organization.

Our sales and support staff are available to assist you in any way possible.
